"Bubble Wonders" presented by Geoff Akins 7/19 6-7 PM @ the Library. Join us for a fun, inspiring, and educational evening performance. Bubble Wonders is full of amazing bubble tricks including the bubble caterpillar, bubble volcano, the dancing bubble, bubbles inside of bubbles, kids inside a bubble and more! Inspired by his life-altering experiences as a teacher in Waldorf and Special Education, Geoff created The Bubble Wonders Show to convey the message that "Anything is Possible!" Summer Reading Program ends 7/31. Grand Prizes will be drawn on August 1st at 2:00 PM and winners will be notified. Teens get creative at the Library and learn how to create a "Zen Tangle" 7/12 2-3 PM & Japanese painting style "Suminagashi" 7/29 1-2 PM. \*Must register for "Suminagashi" Program.

"Build a Solar Eclipse Viewer" Saturday 7/15 12:30-1:30 PM @ the Library. Ages 7-12 can make a solar eclipse viewer out of a cardboard tube and foil. Learn all about the August 21st celestial event at this special program! \*Must Register Coloring Day ALL DAY @ the Library 8/2 All ages are welcome to stop by the Library and color a bookmark or coloring pages. The Library will supply coloring materials, or bring your own. "Human Body Detectives" U of I Extension presents a 4-H Escape Challenge on Wednesday 7/26 2-3:30PM @ the Library. Ages 8-18 will solve the mysteries of fitness, healthy choices, and the human body! Max. 20 kids. \*Must Register.
